SPONSORSHIP OPPORTUNITIES

What is DisruptHR?

Disrupt is a movement designed to energize, inform, and empower business leaders, technologists, managers and HR professionals. Our goal is to connect like-minded professionals, thought leaders and organizations to build mutually beneficial relationships and take action around the changes happening in our cities, workplaces and communities. Our event on Wednesday, November 6, will be a night of rapid-fire talks from professionals of diverse educational and functional backgrounds who want to share their ideas on how we can move our thinking forward.

Who Attends?

Disrupt events are attended by C-suite leaders, technologists, managers, and yes, even a few HR professionals.
